EXPERIENCE

Front End Developer III
Kasasa, Ltd, Austin, TX — formerly Bancvue, Ltd

September 2017 - PRESENT

- Collaborate with Product, UX, SEO, Analytics, and Back End Dev teams to continuously improve Kasasa CMS and Firstbranch products/features

- Implemented Bootstrap rebuild of existing codebase, decreasing development time for new site builds by 30%

- Lead developer on special project to rebuild 140+ existing websites into Kasasa's new proprietary CMS within 6 months

Front End Developer II
Kasasa, Ltd, Austin, TX — formerly Bancvue, Ltd

October 2013 - September 2017

- Streamlined site codebase and reduced average team build hours by 50% while also reducing Designer level of effort for providing assets

- Lead project to launch sites in new enterprise-level CMS (dotCMS), including writing documentation and working closely with back-end developers to determine project requirements

Front End Developer I
Bancvue, Ltd, Austin, TX

February 2013 - October 2013

- Developed pixel-perfect websites from PSDs into a proprietary CMS while collaborating with project managers, designers, and copywriters

- Worked with creative team & other developers to begin using mobile-first responsive design for all sites

Web/Graphic Designer
QScend Technologies, Inc, Waterbury, CT

September 2010 - February 2013

- Design & frontend development for local municipalities, building site designs into QScend's proprietary CMS.
